*

INITIAL COURSE

A course for yourself, in which the listener master new knowledge with immersion in the theory that includes:

- . Technologies of diagnostic fractal drawings**
 - . Technologies for decoding diagnostic fractal drawings**
 - . Corrective technique in fractal drawings"**
- 

CORRECTIONAL COURSE: A course will help restore emotional, psychological and physical condition. It will allow you to regain joy and pleasure from life and reveal your unrealized talents.

If you feel that your internal state requires changes:

- relationships with loved ones and people around you are in a state of rupture;
- in your soul you feel fear and anxiety about the future;
 - there is tension in the body;
- you experience too strong emotions that do not correspond to the real situation;
 - you are at a crossroads - "Where next?";
 - you lack confidence in yourself and your abilities;
- if you just want to move forward and learn new facets of yourself.

The correction course will help restore trust in life and feel your new blossoming!

*

BASIC COURSE: A course for yourself and already for the ability to conduct master classes and the Initial program of FDM, to help not only yourself, but also loved ones, friends.

*

PROFESSIONAL COURSE: A course for those who already have teaching experience, master the consultative techniques of FDM, and are also preparing to defend their final diploma work.
